

2022 SIDMOUTH SCIENCE FESTIVAL

2022 FESTIVAL HIGHLIGHTS

- * Walk with a giant robot
- * Explore the 'Make it and Take it' zone - kites, aeroplanes, cars, parachutes and so much more!
- * Breaking the world record attempt for the longest 'tin can telephone'
- * Get up close with owls
- * Understand about Black Holes and their history
- * Enjoy over 1500 pieces of art work created by local schools especially for the festival
- * Learn about science over a pint (or the drink of your choice)
- * See how our wastewater is treated and the challenges ahead to protect the environment
- * Listen to loads of interesting science talks and question the experts
- * Experience local geology and hear talks on the latest local geology discoveries
- * Hear about how nature is being brought back to Devon
- * Race a jet car, launch a rocket and have a go at making a robot of your choice
- * And so much more!
